

OUR SCHOOL PRESENTATION

Welcome to our school!

We start our description from **Building A**: it is the main building; at the entrance, on the right, there is the reception desk, where we welcome the visitors, we answer the phone and give information. On the same side, there is also the principal's office and the staff administration office. On the left, there is the staff office and the students' administration office.

In the middle of the hall there are the restaurant labs, where students learn to lay and clear the tables and to serve the customers. There is also a computer lab where students learn the receptionist's activities, (such as taking reservations, using software for the hotel management). Here on the ground floor, there are two bar labs, too, the Red Bar on the left and the Yellow bar on the right, where students learn the bartender's tasks, (such as preparing coffees, drinks and to serve at tables). In the cooking labs, which are behind the restaurant labs, students learn to cook and prepare dishes. There are four general cooking labs and one pastry lab. In this main building, there are two more floors, where there are lot of classrooms, a library and 2 more computer labs.

Buidling B: on the ground floor, there is a very big gym, a special multimedia cooking lab, some classrooms and a small vending point in which students can buy sandwiches and drinks for the break time. Upstairs there are more classrooms, the music room, where we meet for special occasions, and a small body building gym.

When students have practice lessons at the labs, they wear a compulsory uniform:

- ◆ for the reception lab it is made of a blue or black jacket, trousers for boys and a skirt for girls, a white shirt, a red tie for boys and a red scarf for girls, and black elegant shoes;
- ◆ for the cooking lab it's made of non-slip shoes, white and black pants, a double-breasted jacket, an apron and a hat;
- ◆ for the restaurant-bar lab it's made of a white shirt, a black waistcoat, a black tie, black pants (skirt for girls) and black elegant shoes.
